

COTY CLIENT: COTY

Metro-Logistics is responsible for the supply of all testers and associated POS to the Coty consultants at Heathrow, Gatwick and Stansted, together with co-ordinating all courier deliveries to Glasgow, Edinburgh and Aberdeen. All testers and supporting POS are delivered into our warehouse where it is catalogued and stored in designated areas ready for delivery to all Coty consultants at airside locations (referred to as doors)

Value	£36K coordinating 50 product lines across 40 doors.
Reporting	Weekly on line reporting of qty's and stock movement. Automatic flagging of reorder levels KPI's measured against accuracy of stock against delivery times.
Assurance	Metro-Logistics operates at 95% for timely deliveries and accuracy of stock.
